

Kansas City Mo.
Nov. 15th 06-

Dear Eleanor.

I am so ashamed at my negligence that I won't accept an excuse. There are hundreds looming up before me now. We were glad to get your and Flos' letter that you had arrived safely without trouble. You certainly went to work with a vengeance to have accomplished so much. How glad Aunt Mollie was satisfied with your purchases. You may have done better if you had not been in such a hurry. I have only been down town once since you left, and I spent all my time then in selecting a stove. Ed stayed home a week while Keeler was so sick. He had a very serious time, and is not well yet. He looks so thin and white and coughs a great deal, but he is happy

and cheerful as ever. Bernice was out of school
three weeks but is going now. I hope you are
all well and that Uncle Frank is feeling better.
You said he was not very well. Tom is reading
"The Missionary" and Ell, "Hearts and Credo" and I
have just put the little ones to bed so thought it
a good time to write you. I just can't write during
the day and every night I think sure I will but
something always prevents. We had a nice letter
from Pauline last week. I saw in the Advance
that you had been to Guelph. Have you nearly
finished your shopping. Tell me if we can help
you in any way here. Let me know if you are
going to be married before Christmas. There is
no possibility of my going there now. Keeler's sick-
ness has made it impossible in many ways,
but I wish Tom would and he says he will if
Mr Knapp gives him a week. Tom and Etie got tickets
last Sunday for the "Flower girl" and Ell brought me
to see Maxine Elliott. She is the finest actress I ever saw.
Don't miss seeing her if you get an opportunity. We are
still planning our trip and hope Uncle Frank and
Aunt Mollie will join us. We have had several
looking at our house to buy it, but have not sold yet.
neither has Tom's. Tom and Etie are going to Dav.
Christmas for a month and Ell is going for two weeks.
How is Avery. We haven't heard from him for a long
time. Mrs Boyle is giving a small card party to night
but Ell 'phoned her she would not go, she has such
a cold. John H. has an addition to his family, a
little girl. it was baptized last Sunday, Katherine
Mary, Tom Quillen and Etie were the sponsors.
Has Aunt Mollie made her dress yet, and did you
finish your white one. Tell me all about them
and how you made them. Did you get any other dresses

How sorry you did not get Bessies
dress. How is she. You did not help
Bernice with a letter to her. She
asked me to night to help her, but
you know me. Tom says he will do
something, not to be written, to Gil
if he does not write to him. ~~Write~~
Tell Flo I am going to write to her,
give her our best love also the painters,
but not the Lincoln paint. Love to Ruth and
Aunt Norah, Uncle Dave would not accept
it. Tell Norah and Sue. Hello for us all
Sue is the only girl in the family I
don't owe a letter. Miss Pauline for us.
Eleanor I know this letter is awful but
its characteristic of the writer. I don't
know what I am writing I am so
sleepy. I never get enough sleep any
more. We scarcely ever wake before 7 and
Tom puts the alarm clock on the dish
pan at our heads to make lots of noise.
Don't tell this to Aunt Mollie she will
have a bad opinion of us. Write to us soon
and tell us all the news if you have time.
Love from all to all - Anna.

Miss. Eleanor Woodworth.
Mr. J. C. Ashmun. Ok.
