

The Farmer
4-4-06

dearest - Now is the
loneliest time and
so I'm going to
spend it in the
pleasantest way for
me that's possible
with you away
down there.

Another nice one
- Mondays - from you
today - short - but it's
from you anyhow
and it helps me
for tomorrow. Little
Girl! - your letters
are such a heap
of help to me.

When I get on
each day - as has
happened this week
for the first time -

I go round whist-
ling - before - I
used to get glum &
& moody - rally -
last week & the week
before then were
days that I did
not say a word
to any of the
folks unless questioned
- blue ! you've
no idea how
blue I was. I
was caused partly
because I did not

think I was getting
letters of ten enough
and partly because

I wrote you letters
that were bitter.

It would not
have taken much
to have made

me throw up
all my chances
for happiness
about then - but

I'm all right
now - and I know
it's your letters that
do it. Yes your
letters - these last
ones - are a lot

like you and his
looking for some man
that will be more
man as you in
talked to me.

~~My trip~~ to town
Sunday was on the
~~same~~ old business - 10:00
o'clock - understand - ~~all~~
that's "all the same" in
reference to me as
249 is to you - You'd
better blot this out for
if - Oh well you know.

Do ~~not~~ ~~be~~ blind. I
do not think so. I'm
giving you a few
"samples" of my
character that you

can't help but label
"faults" and I have
been more critical with
you than I ever thought
of being of any other
girl - however - your
faults are more on
the order of virtues -
wish I was as
good and possessed
of as few faults as
you. Nope! Loss
simply means that
we care for a
person - faults &
all. As for comparing
you with other girls
you "win out" easily
every time for me.

for the simple reason
that you are the sort
of girl I always thought
I'd wish to marry but
never thought I'd be
lucky enough to make
a girl of your sort
love me. Oh I'm lucky
all right.

Here you are - You are
pretty, tall & slender &
graceful; both walking
standing & sitting, you
don't ever "slouch" in
a chair or when moving
and you are neat &
tasteful in your
dressing - don't use
perfume - Lord how

I detest the smell of
it on a person - it always
seems as tho' they
wished to disguise
some "smell" - and

you're not a loud
talker - don't giggle -

See whiz girl you is
all that I want,
isn't that enough?

You see your brat
is all in looks
& qualities - while
when you come to
comparing me with
others all you
can mention is
habits or qualities -
wonder if I

really am any
good! I wish,
honey - for your sake
that I did possess
some "appearance"
but it's not so, so
as you care for me
as I am I'm satisfied.

Now don't tell me
that I'm fairly good
looking etc. I'm not
repulsively ugly.
I know so the rest
makes no difference.

— Your Mother said
my feet always
looked nice - that
ought to be enough
for a ^{re}meat man.

Are they such a
smoking drinking
outfit down there
then that it's finally
become distasteful to
you. ? Perhaps you
know now why
I asked you to cut
out the beer from
your list of "likes"

I'll tell you some-
thing about that the
next time I see you
if you'll just remind
me.

I'll tell you
what I'll do. If
you'll promise to
come up here

some time the last of
August or first of
Sept. I'll come down
some time in June.
— first time work
gets so I can learn
— is it a go? You
know that if you
"put your foot down"
and say that you
will come your
folks will be
willing — so now
my dear it's up
to you.

Little woman — you don't
like that expression — well
— little girl — I do
not pay any attention

to the mistakes you
may make in your
letters - it's ~~the~~ what

you are saying that
I'm after so you
need not apologize.

Yes I remember last
Mar. 31 - and two
years before - do you?
and lots more dates
- Mar 20 - 1904. June
28 - 1904 - Aug 8 - 1904
and some others -
Feb. 14 - 1904 - 5 & 6
do you remember
them & what happened?
on some of those dates?
My lamp is

going out and
his time - a little -
so will bring this to
a finish.

It is still raining
and acts as tho it
would keep it up
to-night.

My grey eyed sweetheart,
I love you, every bit
of me, and am trying
to show you how
much. I'm trying to
be worthy of you - I
~~never~~ can be entirely
so - but I'll give you
the best there is of
me & try to make you
happy: With all love
H.

Was there any freight
charges on those rugs? If
so send me the bill of Cadney
and I'll try to collect of that
very man for he told me
he would pay charges. A.
